

Primary Sources 3*2*1 Graphic Organizer

Write three phrases from the Winslow letter that are worded differently than they would be today. Explain what you think they mean.

1.

2.

3.

As a historian responsible for analyzing primary sources, write two facts from this letter that helped you better understand what happened during the harvest celebration of 1621. Explain why these facts were helpful.

1.

2.

Describe one part of the harvest celebration of 1621 that you still have questions about. Name another type of primary source you might use to get this information. Explain why historians look for information from more than one source.

1.
