I. PROGRAM

A. CONSIDERATION OF REVISED 2013-14 SCHOOL CALENDAR - Mr.

Brimbury stated we have seven (7) hours to make up - one full day plus one additional hour to the previously scheduled extended days since school was canceled on our first extended day. Mr. Brimbury stated a meet and discuss was held and a survey of all staff was taken. He stated it was his recommendation and 68% of the staff who voted to add an hour to seven consecutive school days beginning the day we return from spring break, April 7 through Tuesday, April 15. He stated by adding the additional hour to the day the school year for students will still end on June 5 with the teacher work day on June 6 and graduation that evening. Mr. Wagner moved to accept the recommendation, seconded by Ms. Rice. Mr. Comerford asked Mr. Brimbury if he had much response to the extended days we have already had. Mr. Brimbury replied snacks and juice are being served to all the K-12 students. He stated the process has been positive. We have an obligation to make the days missed. The staff has appreciated the process and the chance to have input. Mr. Thompson added this is the path of least resistance. Mr. Brimbury added the teachers are using the additional instructional hour wisely. He stated Friday will be a normal school day with no extension to the day since we are using Friday as a make-up day. He also stated Mr. Hanson will be sending an automated caller to parents reminding them Friday is a normal school day and an hour will be added to the first seven school days after spring break, April 7-15. The Board unanimously approved the recommendation.

Mr. Brimbury wished everyone a safe and relaxing spring break.

II. ADJOURNMENT

With no further business to discuss, Mr. Comerford moved to adjourn the meeting at 5:07 p.m., seconded by Ms. Rice, unanimously adjourned.
